

## Letter to Lou Ives from Bill Rewey

4-18-08

Dear Lou,

Re: your letter of 4-15-08, I'm ok for you to use Marion's poem about the Wright's Flight, but it's title is Kittyhawk Revisited," not "Kill Devil Hill." Some time ago I bought the rights to the poem from Marion so I could give it away to the aviation community. Our Congresswoman read it into the Congressional record about 7 or 8 years ago.

I'm enclosing a copy and suggest you scan it for the web site, et. Retyping often results in misspelling, words omitted or changed, line re-arrangement, etc. I get in trouble with the poet when that happens.

No email address yet—will send one later. I'm trying to finish my zenith [garbled].

Enclosed contrib.. is for your Brown Shoes Project.

Sincerely, /s/ Bill Rewey
